- Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
- Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Legal Instruments Examiner (LIE), if applicable

Continuation of 4(e) Other: The applicants did not make a proper amendment to claim 1. Original claim 1 that was acted on by the examiner in the first office action only claimed:

A method of recycling waste comprising:

obtaining a liquid waste material resulting from the manufacture of a first product; and

utilizing the obtained liquid waste material as an air entraining admixture in the production of the second product.

Now,

applicants presented claim 1 contains also the following limitations:

wherein the step of utilizing includes [one of] i) incorporating a liquid waste into a grinding state of cement clinker; and [at least partially replacing a concrete mix water with the liquid waste wherein the first product is a soap or shampoo.

This is clearly an improper amendment because "wherein the step of utilizing includes [one of] i) incorporating a liquid waste into a grinding state of cement clinker; and [at least partially replacing a concrete mix water with the liquid waste" was NEVER in the claims originally presented by the examiner. If these are new limitations, they should have been underlined but were not. Also, the applicants make deletions yet it is not understood how they could do this when none of these terms was part of original claim 1. This amendment is thus improper and will not be entered. Correction and presentation of a proper amendment is respectfully requested.
